Program Mission and Outcomes, p. 3

Legend, p. 3

Students planning to transfer to a four-year college or university should refer to the ASSIST web site at www.assist.org and consult a counselor

A.S. requirements continued from previous page.

For graduation with an Associate in Science (A.S.) Degree with a major in Advanced Transportation Technology -Alternate Fuels:

1. Minimum Unit Requirements: Any course that appears on a curriculum guide and the General Education Pattern (Plan A) may fulfill both major and general education requirements (Approved by College Curriculum Committee Spring 2012). For this degree, complete a minimum of 60 units in courses numbered 1-599. Please note that additional elective units may be required to meet this minimum based upon courses selected to fulfill General Education for the Associate Degree.

ATT-Alt. Fuels Major :	18 - 20 units
General Education/A.S .§	19 units

2. Scholarship: Maintain an overall grade point average (GPA) of 2.0 ("C" average) based on all accredited college work applied to the degree, no matter where completed. For this field of concentration,

A suggested sample sequence of courses for the program includes:

First Semester

Units

Second Semester
