The college is commended for the high quality of its programs and services as well as for the impressive progress it has made in the area of planning and the integration of planning into the budget processes

All colleges are required to file a midterm report in the third year after each comprehensive evaluation. Long Beach City College should submit the Midterm Report by October 15, 2005. Midterm Reports indicate progress toward meeting the evaluation team's recommendations and forecast where the college expects to be by the time of the next comprehensive evaluation. The
