STATE MINIMUM REQUIREMENTS (Title 22): This program satisfies the State of California licensing requirement for employment in early childhood education programs (private, church, industrial, coop). The minimum Title 22 licensing requirement to work as a teacher is that six units be completed before employment and that an additional six units be completed immediately thereafter. It is recommended that the requirement for courses in DS 1* and DS 2* be satisfied with at least three semester units in each category. It is also recommended that a minimum of six semester units be taken in the DS 3* -Program/Curriculum with the option that if the person is working specifically with infants or school-age children that they should apply three units in DS 4* or DS 5* towards these six units. The DS designation can be found following the course title.

SAFETY - CERTIFICATE OF ACCOMPLISHMENT

Ohio Department of Higher Education

Plan Code: 4059

The focus of this program of study is to ensure that students understand the regulatory standards, policies, procedures and protocols for health safety in Ohio health safety settings.

Program Student Learning Outcomes

Students will be able to demonstrate regulatory standards, policies and procedures related to health safety in Ohio health safety settings.

Students will be able to demonstrate the impact of health safety on the Ohio health safety industry.
