

# Dependent Care FSA

## Why should I choose a dependent care FSA?

A dependent care FSA allows you to put aside a portion of your paycheck before taxes for eligible dependent care expenses each year.

### Save money

You are eligible if you and/or your spouse (if applicable) are gainfully employed, looking for work, or are attending school on a full-time basis. The dependent care FSA lets you pay for eligible dependent care expenses.

You're spending the money either way. This way, eligible childcare and other dependent care costs are a little less.

### Save strategically

Submit all of your dependent care expenses at the end of the hard-earned "bonus".

only need to submit one form once in order to get reimbursed each pay period. You can 4 Q G W K H I R U back of this handout.
