

# ELECTRICAL TECHNOLOGY, SOLAR INSTALLATION and MAINTENANCE

Curriculum Guide for Academic Year 2021-2022

## Table of Contents

Associate in Science Degree, p. 1  
Career Opportunities, p. 2  
Program Mission and Outcomes, p. 3  
Legend, p. 3

Students planning to **transfer** to a four-year college or university should refer to the ASSIST web site at [www.assist.org](http://www.assist.org) and **consult a counselor** before beginning a program of study. Please call (562) 938-4561 (LAC) or (562) 938-3920 (PCC) to schedule a counseling appointment. Students may also wish to visit the Transfer Center on either campus.

### Program of study leading to: Associate in Science (A.S.) Degree

Required Major Coursework:	Units	In Progress	Completed Grade
ELECT 253      OSHA Standards for Construction Safety	2		

This **Associate Degree or Certificate of Achievement** is a two-year program leading to the Associate in Science (A.S.) degree. This degree will help students succeed after transferring to a CSU or UC School Computer Science major program. Students cuss transferability of courses.

## **Program Mission and Outcomes**

### **Program Student Outcomes:**

Analyze various types of solar power generation systems and demonstrate the ability to properly size systems to meet demands

## **Legend**
