Plan Co⁄ fi: 4325

Students will learn construction techniques, pattern manipulation for swimwear design, and fitting of swimwear. Special emphasis is given to stretch fabrics, bra construction, elastic setting and elastic to fabric stretch ratios.

% ( ) ' * + ˝ , - . ⁄0, &⁄*' 01) ı - , 2(+ ⁄3

- Execute swimwear products to industry standards demonstrating proper construction using standard sewing machines and specialiΩa

F
