

# FINANCIAL LITERACY - CERTIFICATE OF COMPETENCY

---

This program provides students the essential skills for personal money management. Students gain confidence as they learn about budgeting, saving, debt, credit, as well as education, housing, transportation and investing options. Students will create an action plan to improve their quality of life and reach their educational, professional and economic goals.

## Program Student Learning Outcomes

- Create a personal financial plan based on one's vision and goals.

## Program Requirements

Money 690	Money Basics and Goal Setting	9
Money 695	Your Personal Financial Plan	9
