An Emergency Medical Technician (EMT) is a specially trained and certified professional who renders immediate medical care in basic life support practices. California law requires all ambulance attendants to be trained and certified to the EMT level and many fire agencies require firefighters to be EMT certified.

- Demonstrate ability to perform an appropriate primary/initial assessment of the ill or injured patient in the prehospital setting.

# MEDICAL INSURANCE BILLING - CERTIFICATE OF ACCOMPLISHMENT

---

Plan Code: 4044

A Medical Insurance Biller is trained in medical insurance claim forms, healthcare delivery systems, diagnosis and procedure coding, billing and claims processing. These skills can help qualify you to work in physicians' offices or clinics, medical insurance companies, government agencies and other healthcare environments.

## Program Student Learning Outcomes

- Interpret health care data and properly complete a CMS claim form.
