

- PSS earn code is entered for sick hours
- The Override box needs to be checked

The screenshot shows a payroll system interface with a red box highlighting the 'Override' checkbox. The interface includes a top navigation bar with a search icon, a main content area with a table of employee records, and a bottom navigation bar with a 'PSS' logo. The table has columns for 'Employee', 'Hours', and 'Rate'. The 'Employee' column contains names and IDs, and the 'Hours' column contains numerical values. The 'Rate' column contains numerical values. The 'Override' checkbox is located in the 'Hours' column of the first row. The 'PSS' logo is located in the bottom left corner of the interface.
